

WAVERLEY COLLEGE

DATABASE ADMINISTRATOR CONTRACT POSITION

Waverley College invites applications for a skilled and motivated Database Administrator (DBA) for a 1 year contract with potential for permanency, to commence in October 2023.

The DBA will be responsible for the day-to-day management, support, maintenance, and optimisation of our organisation's databases to ensure their reliability, security, and high performance.

The ideal candidate should possess good technical expertise in database management, with a keen eye for detail, and the ability to collaborate effectively with other stakeholders in the school.

This is an opportunity to join a school where your skills are valued, your creativity is nurtured, innovation is actively encouraged, and where staff are appreciated every day.

A detailed role description is available on our website. Waverley College is a Catholic school in the Edmund Rice tradition and you are required to be supportive of the Catholic ethos of the community

How to apply:

Applicants must have a **current working with children check and have the right to work in Australia for the duration of this employment.** Please use the online **Support Staff Application Form** found on the College Website:
